World Scout Jamboree - Boat Price List 2007

The Laser World Scout Jamboree pricing structure is exclusively available to all UK scout groups and are for current specification boats, which come complete and ready to sail. The boats will be used for one week at the World Scout Jamboree which allows these special discounts. After the World Scout Jamboree the boats will need to be collected from Alton Water at a time to be arranged between 7 & 10 August 2007.

All orders must be placed by 31 March 2007.
